CCDSI in its Core Group meeting on 11/12/2022 decided to have one month membership drive starting from 27th December 2022 to 31st January 2023 and during this period membership fee for life members and associate life members will be ₹5000 & ₹4000 respectively in place of ₹7000 & ₹5000.

This decision has been taken with aim to facilitate opening of New State Chapters Therefore the senior members of the those states where we don't have State Chapters are requested to make minimum 30 life members needed for opening of a State Chapter. Chairman and secretaries of existing CCDSI State Chapters are also requested to utilise this opportunity and make new members as much as possible.
